Sir:

Applicant respectfully requests that the Examiner issue a corrected Notice of Allowance properly reflecting the title as amended on April 7, 2005. The title should read:

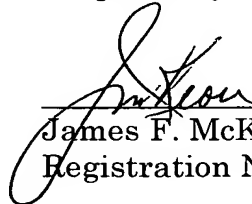

**"ELECTRONIC CIRCUIT DEVICE WITH REDUCED BREAKING AND
CRACKING"**

Furthermore, Applicant notes that the allowed claims are incorrectly listed in the Notice of Allowability. As claim 11 was canceled in the amendment filed on October 3, 2005, Applicant respectfully requests that the Examiner issue a supplemental Notice of Allowability correctly listing the allowed claims, which should be claims 1-10 and 12-22.

If there are any questions regarding this request or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

Respectfully submitted,

February 16, 2007
